

English Annotated Instrument Commitment Statement, Extra Incentive Version

Instructions

- ▶ Please use a black or blue pen to complete this form.
- ▶ Mark 🗷 to indicate your answer.
- ▶ If you want to change your answer, mark **■** on the wrong answer.

1.	Is there more than one person age 18 or older living in this household? AdultsInhh Tes No → GO TO Question 1 on the next page
V 2.	Including yourself, how many people age 18 or older live in this household? MailHHAdults
3.	The adult with the next birthday should complete this questionnaire. This way across all households, HINTS will include responses from adults of all ages.
4.	Please write the first name, nickname, or initials of the adult with the next birthday. This is the person who should complete the questionnaire.

Si prefiere recibir la encuesta en español, por favor llame 1-888-738-6812

1. Your answers on this survey may influence cancer communication efforts and public health policy and thus affect the lives of many people in the United States. In order for the survey results to be the most helpful, it is important that you try to be as accurate as possible and to think carefully about each question.

Are you willing to do this?

CommitmentStmt

Yes

No

A: Looking For Health Information

A1. Have you ever looked for information about cancer from any source?

SeekCancerInfo
-1 Yes
2 No → GO TO A3 in the next column

A2. Based on the results of your most recent search for information about cancer, how much do you agree or disagree with **each** of the following statements?

hard to understand...... 1

CancerTooHardUnderstand

A3. In general, how much would you trust information about cancer from **each** of the following?

		Not at ¿	A little	Some	A 10t
a.	A doctor	4	3	2	1
b.	CancerTrustDoctor Family or friends CancerTrustFamily	4	3	2	1
c.	Government health agencies	4	3	2	1
d.	Charitable organizations	4	3	2	1
e.	Religious organizations and leaders	4	3	2	1
f.	CancerTrustReligiousOrgs Scientists CancerTrustScientists	4	3	2	1

A4. How often do health recommendations from experts seem to conflict or contradict one another?

HealthRecsConflict

- Never
- 2 Rarely
- 3 Often
- 4 Very Often

A5. How often do health recommendations from experts seem to change over time?

HealthRecsChange

- 1 Never
- 2 Rarely
- 3 Often
- 4 Very Often

B: Internet and Technology Use

В	1.	About how often do you use the Inte either on a computer, laptop, smartp or any other device?		
	1	FreqUseInternet More than once per day		
		2 About once per day		
	\dashv	3 A few times a week		
		4 Less than once per week		
		5 Rarely		
		6 Never → GO TO B5 in the next colum	nn	
В	2.	When you use the Internet, do you o	onn	ect
			Yes	No
	a.	A cellular network (4G / 5G / LTE)?Internet Cell2	1	2
	b.	A service such as DSL, cable, FiOS, Wi-Fi, or satellite? Internet_HighSpeed2	1	2
В	3.	In the past 12 months, have you use Internet to take care of any of the fol health-related needs?		
			Yes	No
	a.	Look for health or medical information Electronic2_HealthInfo	1	2
	b.	Send a message to a health care provider or a health care provider's office Electronic2 MessageDoc	1	2
	c.	View medical test results	1	2
	d.	Make an appointment with a health care providerElectronic2_MadeAppts	1	2
В	4.	How satisfied are you with your Interconnection at home to meet health-reneeds? InternetConnection 1 Extremely satisfied		ed
		2 Very satisfied		
		3 Somewhat satisfied		
		4 Not very satisfied		

5 Not at all satisfied

35.	How much do you agree or disagree with the following statements?
	Strongly agreemat Somewhat Somewhat Somewhat Strongly disagree
a.	I find learning how to use new technology frustrating
b.	DigLit_Frustrating I can use applications/programs (like Zoom) on my cell phone or computer without asking someone for help
C.	I have the skills to find the health information I need on the Internet
36.	In the last 12 months, which of the following devices did you use? Yes No
a.	Desktop computer or laptop
b.	UseDevice_Computer
	Smartphone
d.	I ablet
37.	In the past 12 months, have you used a health or wellness app on your tablet or smartphone? UsedHealthWellnessApps2 Yes No I do not have any health apps on my tablet or smartphone I do not have a tablet or smartphone

B8. In the past 12 months, have you used an electronic wearable device to monitor or track your health or activity? For example, a Fitbit, Apple Watch, or Garmin Vivofit. WearableDevTrackHealth2 No, not in the past 12 months **GO TO** I have **never** used an electronic **B11** below wearable device B9. In the past month, how often did you use an electronic wearable device to track your health? FreqWearDevTrackHealth2 1 Every day 2 Almost every day 3 1-2 times per week 4 Less than once per week 5 I did not use a wearable device in the past month B10. Would you be willing to share health data from your electronic wearable device with your health care provider? WillingShareData HCP2 1 Yes 2 No B11. Electronic monitoring devices include electronic wearable devices and other devices such as blood glucose meters, blood pressure monitors, etc. Have you shared health information from either an electronic monitoring device or smartphone with a health professional within the last 12 months? SharedHealthDeviceInfo2 1 Yes

5 I do not use a smartphone or electronic

monitoring device

2 No

B12. Sometimes people use the Internet to connect with other people online through social media. Examples of social media sites include Facebook, TikTok, YouTube, and Instagram.

In the past 12 months, how often did you do the following?

		Almost every 2	At least once	A few times	Less than	Never month
a.	Visited a social media site	. 1	2	3	4	5
b.	Shared personal health information on social media SocMed SharedPers	. 1	2	3	4	5
C.	Shared general health-related information on social media (for example, a news article) SocMed SharedGen	d	2	3	4	5
d.	Interacted with people who have similar health or medical issues on social media or online forums	1	2	3	4	5
e.	Watched a health-related video on a social media site (for example, YouTube)	. 1	2	3	4	5

B13. How much of the health information that you see on social media do you think is false or	C: Your Health Care
misleading? MisleadingHealthInfo I do not use social media → GO TO C1 in the next column A little Some A lot	C1. Are you covered by any kind of health insurance or health care plan, including employer-sponsored insurance, prepaid plans, or government plans such as Medicare, Medicaid or TRICARE? HealthInsurance2 1 Yes 2 No
B14. How much do you agree or disagree with the following statements?	C2. In the past 12 months, not counting times you went to an emergency room, how many times did you see a doctor, nurse, or other health professional to get care for yourself?
a. I use information from social media to make decisions about my health	FreqGoProvider O None → GO TO C7 on the next page 1 1 time
b. I use information from social media in discussions with my health care provider	2 2 times 3 3 times
c. I find it hard to tell whether health information on social media is true or false	4 4 times 5 5-9 times 6 10 or more times
d. Most of the people in my social media networks have the same views about health as me	C3. Overall, how would you rate the quality of health care you received in the past 12 months? QualityCare 1 Excellent

Very goodGoodFairPoor

С	4.	The following questions are communication with all doct other health professionals y the past 12 months.	tors,	nur	ses,	
		How often did they do each of the following?	Always	Usually	Sometime	Never
	a.	Give you the chance to ask all the health-related questions you had	1	2	3	4
	b.	Give the attention you needed to your feelings and emotions FeelingsAddressed	1	2	3	4
	C.	Involve you in decisions about your health care as much as you wanted	1	2	3	4
	d.	Make sure you understood the things you needed to do to take care of your health	1	2	3	4
	e.	Explain things in a way you could understand	1	2	3	4
	f.	ExplainedClearly Spend enough time with you SpentEnoughTime	1	2	3	4
	g.	Help you deal with feelings of uncertainty about your health or health care	1	2	3	4
		HelpUncertainty				
С	5.	In the past 12 months, was when you had to wait for me				sults

longer than you thought reasonable?

ProbCare_WaitLong2

1 Yes

2 No

C6. In the past 12 months, when getting care for a medical problem, was there a time when you had to redo a test or procedure because the earlier test results were not available?

ProbCare RedoTest

1 Yes

2 No

C7. In the past 12 months, how often have you talked to a doctor, nurse, or other health professional about any kind of health information you found on the Internet?

TalkedDoctor2 Never → GO TO C10 below

1 or 2 times

More than 2 times

C8. How much do you agree or disagree with the following statements?

> In the past 12 months, when I talked with a healthcare professional about information I found on the Internet...

		Strongly agree	Somewhat	Somewhat	Strongly disagree	
а.	They were open to talking about the information with meDocOpenToInfo	. 1	2	3	4	
э.	They respected what I had to					

DocRespectedInfo

C9. As a result of talking to my doctor, nurse or other health professional about health information from the Internet, our interaction became...

DocInteraction

1 A lot worse

2 A little worse

3 No impact on our interaction

4 A little better

5 A lot better

C10. How confident are you filling out medical forms by yourself?

ConfidentMedForms

4 Not at all

3 A little

2 Somewhat

1 Very

C11.	. How much do you trust the health care system (for example, hospitals, pharmacies, and other organizations involved in health care)? TrustHCSystem 4 Not at all 3 A little 2 Some 1 A lot
C12.	Have you ever experienced prejudice or been discriminated against when getting medical care? DiscriminatedMedCare2 Yes No
C13.	In the past 12 months, how often did you get the help you needed from your primary care provider's office to manage your care among different providers and services? ManageMultipleProviders Never Sometimes Usually Always I did not need help coordinating my care I did not visit a primary care provider → GO TO D1 in the next column
C14.	In the past 12 months, how often did your primary care provider's office seem informed and up-to-date about the care you got from other health care providers? UpToDateMultiProv Never Sometimes Usually Always

5 Not applicable

D: Telehealth

D1. A telehealth visit is a telephone or video appointment with a doctor or health professional.

> In the past 12 months, did you receive care from a doctor or health professional using telehealth?

ReceiveTelehealthCare 1 Yes, by video GO TO D3 2 Yes, by phone call (voice only with no video) on the next page 3 Yes, some by video and some by phone call No telehealth visits in the past 12 months

D2. If you have not used telehealth in the last 12 months, what was the primary reason?

NoTelehealth

Mark only **one**.

- 1 I did not have a need to visit a doctor or health professional
- 2 I needed an examination or test that could only be done in-person
- I was not offered telehealth
- I didn't know how to use telehealth
- 5 I preferred to see a doctor or health professional in-person
- 6 I was concerned about the privacy of my personal health data
- My Internet or phone data cost too much
- 8 My insurance did not cover telehealth or I could not afford it
- NoTelehealth_OS 91 Other → Specify: NoTelehealth IMP

If you have not had a telehealth visit in the last 12 months, go to D6 on the next page

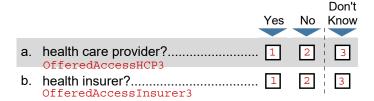

Otherwise, go to D3 on the next page

D3.	What are the reasons you chose (a) telehealth visit(s) for yourself?	D5.	What was the primary reason for your most recent telehealth visit? RecentTelehealthReason2
	Mark all that apply.		Mark only one .
D4.	The health care provider recommended or required the visit use telehealth Telehealth HCPRecommended I wanted advice about whether I needed in-person medical care Telehealth WantedAdvice I wanted to avoid possible infection at the doctor's office or hospital (for example, COVID-19 or flu) Telehealth AvoidExposure I It was more convenient than going to a doctor or health professional (for example, less travel or wait times) Telehealth Convenient I needed to see a health professional that was not available in my area (for example, a second opinion from a specialist in another state) Telehealth Addt1HCP I could include family or other caregivers in my appointment Telehealth IncludeOthers Other → Specify: Telehealth_Other TelehealthReasons_Cat In general, how much do you agree or disagree with the following statements regarding your telehealth visit(s)?	D6.	 Annual visit or follow up appointment Acute care for a minor illness (for example, fever, sinus infection) Managing my chronic health condition/disease (for example, high blood pressure, diabetes, heart disease, obesity, cancer) Mental health, behavioral, or substance abuse issues (for example, depression, anxiety, drug or alcohol use) Physical Rehabilitation (physical therapy, occupational therapy, speech-language pathology) Other → Specify: RecentTelehealthReason2_OS
a.	I had technical problems with my telehealth visit(s) (for example, difficulty using the technology, trouble seeing or hearing my health care provider)		
	The care I received from telehealth was as good as a regular in-person visit		
	Telehealth made it easier for me to get care when and where I needed it		
d.	I would recommend using telehealth to another person 1 2 3 4 Telehealth_Recommend		

E: Medical Records

Next, we are going to ask you some questions about online medical records. Online medical records, also known as patient portals, are secure websites that allow people to access their health records and communicate with health care providers using a computer or smartphone health app.

E1. Have you ever been offered online access to your medical records (for example, a patient portal) by your...

E2. Have any of your health care providers, including doctors, nurses, or office staff ever encouraged you to use an online medical record or patient portal?

HCPEncourageOnlineRec2

1 Yes

2 No

E3. For the next set of questions, please think about the online medical record or patient portal offered to you by a health care provider or insurer.

> How many times did you access your online medical record or patient portal in the last 12 months?

AccessOnlineRecord3 0 → GO TO E7 in the next column 1 1 to 2 times 2 3 to 5 times GO TO E4 in the next column 3 6 to 9 times 4 10 or more times

E4. How did you access your online medical record or patient portal? HowAccessOnlineRecord2

1 App

2 Website

3 Both app and website

4 Don't know

E5. In the past 12 months, have you used your online medical record or patient portal to...

		Yes	No
a.	Look up test results?	1	2
b.	View clinical notes (a health care provider's written notes that describe your visit)?	1	2

E6. How easy or difficult was it to understand the health information in your online medical record or patient portal?

UnderstandOnlineMedRec2

1 Very easy

2 Somewhat easy

3 Somewhat difficult

4 Very difficult

E7. Which of the following organizations/ providers do you have an online medical record or patient portal with? Your medical record could include specific types of health data, such as insurance claims, prescription information, and laboratory test results.

Mark **all that apply**.

H: Clinical Trials

H1. Clinical trials are research studies that involve people. They are designed to compare new kinds of health care with the standard health care people currently get to learn if it's better or about its side effects. Clinical trials could test a new type of drug or a new exercise program to help patients live longer.

Which of the following best describes your experience with clinical trials?

ExpClinTrial

Mark only one.

1	I have never discussed participating in a clinical trial with a health care provider
2	I have discussed participating in a clinical trial

- I have discussed participating in a clinical trial with a health care provider but decided not to participate
- I have discussed participating in a clinical trial with a health care provider but was not eligible to participate
- I have participated in a clinical trial
- 5 I don't know/don't remember
- H2. Imagine that you had a health issue and you were invited to participate in a clinical trial for that issue. Which of the following would most influence your decision to participate in the clinical trial?

Please mark up to 3.

	-
1	If I would be helping other people by participating ClinTrials2_HelpingPeople
1	If I would receive payment or other support for
	participating, such as transportation, childcare,
	or paid time off from work ClinTrials2 ReceiveComp
1	If my doctor encouraged me to participate ClinTrials2_DocEncouraged

- K2. If you were experiencing issues with housing, transportation, or affording or accessing healthy food, how comfortable would you be with your health care providers doing the following?
 - a. Documenting the issue in your medical record for your healthcare purposes?.....
 FinIssues HCPDocumenting
 b. Sharing your information
- about these issues with other providers for your healthcare purposes?..... 1 FinIssues_HCPSharing

L: Health and Nutrition

About how many cups of fruit (including 100% pure fruit juice) do you eat or drink each day?

Fruit2

- None
- 1 ½ cup or less
- ½ cup to less than 1 cup
- 1 to less than 2 cups
- 4 2 to less than 3 cups
- 5 3 to less than 4 cups
- 4 or more cups

1 cup of fruit could be:

- 1 small apple
- 1 large banana
- 1 large orange
- 8 large strawberries
- 1 medium pear
- 2 large plums
- 32 seedless grapes
- 1 cup (8 oz.) fruit juice
- ½ cup dried fruit
- 1 inch-thick wedge of watermelon
- L2. About how many cups of vegetables (including 100% pure vegetable juice) do you eat or drink each day?

Vegetables2

- 0 None
- 1 ½ cup or less
- 2 ½ cup to less than 1 cup
- 3 1 to less than 2 cups
- 4 2 to less than 3 cups
- 5 3 to less than 4 cups
- 6 4 or more cups

1 cup of vegetables could be:

- 3 broccoli spears
- 1 cup cooked leafy greens
- 2 cups lettuce or raw greens
- 12 baby carrots
- 1 medium potato
- 1 large sweet potato
- 1 large ear of corn
- 1 large raw tomato
- 2 large celery sticks 1 cup of cooked beans
- L3. MyPlate is developed by the U.S. government to share with the public how to follow a healthy eating style and guide portion sizes at meals. Have you tried to follow the recommendations in the

MyPlate plan? Would you say... FollowMyPlate

- Yes, I know about the MyPlate plan and have tried to follow recommendations
- 2 I know about the MyPlate plan but have not tried to follow the recommendations
- No, I have never heard of MyPlate

L4. **Prepared meals** include ready-to-eat foods from a deli, hot bar, or salad bar as well as packaged food items like frozen meals and canned items.

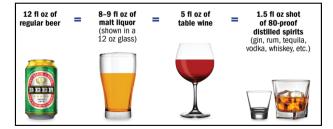

> Thinking about the last time you bought a prepared meal at a grocery store, did you use the calorie information in deciding what to buy?

PreparedMeal CalInfo

- 1 Yes
- 2 No
- I did not notice any calorie information on the last prepared meal I bought
- 4 I do not buy prepared meals

M: Alcohol

M1. These are examples of one drink of alcohol:

During the past 30 days, on how many days did you have at least one drink of any alcoholic beverage?

DrinkDaysPerMonth Days per month ► (IF 0 THEN GO TO M4 in the next column)

M2. During the past 30 days, on the days when you drank alcohol, about how many alcoholic drinks did you drink on average?

DrinksPerDay2
Average alcoholic drinks per day

M3. For males: During the past 30 days, how many times did you have 5 or more alcoholic drinks on one occasion?

> For females: During the past 30 days, how many times did you have 4 or more alcoholic drinks on one occasion?

DrinksOneOccasion

- 1 Never
- 2 1 or 2 times
- 3 to 5 times
- 4 6 to 10 times
- 5 11 or more times

M4. In your opinion, how does drinking alcohol affect the risk of getting cancer?

- Alcohol CancerRisk
- Decreases risk of cancer
- 2 Has no effect on the risk of cancer
- Increases risk of cancer
- 4 Don't know

M5. To what extent would you support or oppose the following measures related to alcohol?

- a. Banning outdoor advertising of alcohol such as on billboards and bus stops?..... 1 2
 - ExcessiveAlcohol2 BanAds
- b. Requiring specific warnings about cancer on alcohol containers?...... 1

N: Tobacco & Marijuana Products

N1. Some products are approved to help people quit smoking. These include over the counter Nicotine Replacement Therapy (NRT) like gum, lozenges, or the patch, prescription nicotine replacement therapy like a spray or inhaler, or prescription medications like varenicline and bupropion.

> Do you believe that any of the following tobacco products can help people quit smoking cigarettes?

O: Cancer Screening and Awareness

O1. In the last 12 months, how much did worry about COVID-19 cause you to delay or avoid having a cancer screening test?

COVIDDelayCaScreening

1 Not at all 2 A little

3 Some

4 A lot

5 Not applicable (I had not planned to have a screening test)

O2. At any time in the past year, did a doctor or other health professional talk with you about having a low-dose CT (LDCT) scan to check for lung cancer?

DocTalkLDCT I have never heard of this test 2 Yes 3 No Don't know

O3. There are a few different tests to check for colorectal cancer in people who have no symptoms. These tests include:

> A **colonoscopy** - For this test, a tube is inserted into your rectum and you are given medication that may make you feel sleepy. After the procedure, you need someone to drive you home.

A sigmoidoscopy - For this test, you are awake when the tube is inserted into your rectum. After the test you can drive yourself home.

A **stool test** - For this test, you collect a stool sample at home, and then provide it to a doctor or lab for testing. The fecal immunochemical test (FIT) and Cologuard are both stool tests.

Has a doctor or other health professional ever told you there are a few different tasts to detect colorectal cancer?

les	sis to detect colorectal c
	DocTellColorectalTests2
1	Yes
2	No

3 I have never discussed these tests with a doctor or other health professional

O4.	Scientists have developed new tests to "screen" for cancers early when they are easier to treat. These new tests, called Multi-Cancer Early Detection tests, use a single blood test to detect many different cancers at the same time.
	Before today, had you ever heard of Multi-Cancer Early Detection tests? HeardMultiCaTest Yes No

O5. How valuable do you think it would be for you to have a Multi-Cancer Early Detection test right now?

ValueMultiCaTest

- Not at all valuable
- 2 A little valuable
- Somewhat valuable
- 4 Very valuable

O6. Do you think the Hepatitis B virus (also known as Hep B or HBV) can cause cancer?

HBVCauseCancer

- 1 Yes
- 2 No
- 3 Don't know
- I have never heard of HBV

O7. Do you think the Hepatitis C virus (also known as Hep C or HCV) can cause cancer?

HCVCauseCancer

- 1 Yes
- 2 No
- 3 Don't know
- I have never heard of HCV

O8. Cervical cancer screening helps to prevent and detect cervical cancer in people who have no symptoms. In the future, it may be possible for people to collect their own sample for the cervical cancer screening test at home using a mailed test kit. This might involve using a swab (like a long cotton bud) to take a sample from the vagina or by collecting a sample of urine.

> If you had a choice, how would you prefer to do the cervical cancer screening test?

- PrefCervCaTest 1 Not applicable – I do not need cervical cancer screening → GO TO P1 on the next page
- 2 I would prefer to have a health professional do the test in a doctor's office (as happens now) → GO TO P1 on the next page
- 3 I would prefer to do the test myself at home
- 4 I don't know which option I would choose

O9. What are the reasons you would consider collecting your own at-home sample for cervical cancer screening?

Mark all that apply.

- Prefer not to take time off work
- Save transportation cost
